2

Wait and see -  
I'll make you fall for me!

Let's go to the convenience store, ?

Are you really not going to work today?

Don't worry too much if you get the bills - that's just the rule, and don't forget to keep smiling when you're going on the company's approval sites - you just have to get the interview done! - you're doing right -

Of course

사랑일까?
